WHY CAUCASUS STUDIES?

The need for specialist knowledge on the Caucasus is growing. Several of the conflicts in the region are highly internationalized. Many international organisations and actors are engaged in the region, such as the UN, EU, Council of Europe, OSCE, Swedish International Development Agency (Sida), USAID, and the World Bank.

COURSES

Caucasus Studies include courses such as Introduction to Caucasus Studies, Conflicts and Conflict Resolution in the Caucasus, Post-Soviet developments in the Caucasus and Peoples and languages of the Caucasus. The course offerings also include languages of the Caucasus region.

Caucasus Studies is offered exclusively online with instruction in English
